

## PROTECH CLIENTS DAY 2008 AT HURLINGHAM CLUB

PROTECH ARE PLEASED TO ANNOUNCE THE FORTHCOMING  
CLIENT DAY AT THE HURLINGHAM CLUB IN LONDON ON  
OCTOBER 14TH.

The Hurlingham Club, founded in 1869, is an exclusive sports club who's prestigious membership base enjoy sporting activities including tennis, croquet, cricket, bowls, golf, squash and swimming (with both indoor and outdoor pools) as well as fitness facilities and a gymnasium at the clubs beautiful Georgian clubhouse set in 42 acres of grounds situated by the River Thames in Fulham, southwest London.

The event promises to be a valuable and interesting one and we are expecting large numbers of existing clients and business partners and associates to attend.

We will be presenting Pro-8 the next generation of our product suite. This release is the culmination of significant development effort driven by extensive feedback received from our clients and the ever evolving technology available in the market today.

To compliment this we have also invited speakers from both Experian QAS who will be showcasing their latest product offerings and our new American partner company Small World Labs who will be presenting their Social Networking solutions which we now exclusively distribute in Europe.

The day is planned to start at 1:00pm with refreshments and a detailed agenda will be provided closer to the day.
